Driving Innovation & Growth at Mitatronics

This month, we're excited to share key milestones in our journey towards innovation, employee development, and sustainability. From advancing our integrated management system to enhancing employee training.

Read on to learn how Mitatronics is raising the bar in the electronics packaging industry, while ensuring the well-being and growth of our most valuable asset: our people.

This integration marks a new chapter in our ongoing efforts to be a responsible and efficient organization.

- **Achieving New Milestones: ISO 14001, 45001, and 9001 Integration**

Mitatronics is taking a significant step forward by integrating ISO 14001 (Environmental Management) and ISO 45001 (Occupational Health and Safety) alongside our existing ISO 9001 certification.

This initiative enhances our commitment to sustainability, safety, and quality across all operations.

To support this, we've started educating our staff on the importance of these standards, ensuring both company growth and personal development.

5S Training: A Success!

This month, we rolled out our 5S system (Sort, Set in Order, Shine, Standardize, Sustain) to improve workplace organization and efficiency.

Employees participated in training sessions, followed by a fun written exam and a rewards system. The response was fantastic, and we saw great enthusiasm as everyone embraced the principles.

Top performing department were awarded trophy, and all employees were treated to a celebration as a thank you for their engagement and efforts.

Winner: Testing Department

Ladies' Awareness Week: Empowering Female Employees

In line with our commitment to promoting well-being and workplace inclusivity, we recently hosted a Ladies' Awareness Week for our female employees. The week focused on raising awareness around basic hygiene, innovative methods for menstrual care, and workplace etiquette. It was an empowering session aimed at supporting the personal and professional well-being of our female staff, ensuring they feel confident, informed, and comfortable in the workplace.

● Employee Appreciation: Key to Our Success

At Mitatronics, we understand that recognition is crucial to employee motivation and satisfaction. We are proud to announce our Stars of the Month for August:

- Mrs Ravina Nachanekar
- Mrs Sangita Bhilare
- Mr. Harshad Gawade

Your dedication and hard work continue to inspire us all, and we thank you for your unwavering commitment to excellence!
